A VOICE

STUDENTS

A letter to voters from Joan Buchanan

Former California State Assemblymember (2008-2012)

Former SRVUSD School Board Trustee and President (1990-2008)

I'm Joan Buchanan. My five children are graduates of SRVUSD schools and two grandchildren currently attend Green Valley Elementary School. I'm a former PTA President and SR and 18-year SRVUSD School Board Member. I chaired the Education Committee when I served in the State Assembly. My greatest passion is ensuring all children receive a high-quality public education that prepares them to be our future workers and leaders.

I believe effective leaders have the ability to listen to all members of the education family – students, parents, teachers, administrators, and support staff – and make decisions in the best interests of the children in the classrooms.

Shelley Clark is that leader. She has been active in our schools for many years and is well respected. She does her homework and always puts students first.

Schools throughout California, including our district face significant challenges. Student enrollment is declining, reducing revenue, and putting enormous pressure on district budgets. At the same time schools continue face challenges from the disruptions caused by COVID.

We need school board members like Shelley who have the knowledge and skills to bring people together and ensure we make the best decisions for our children and schools.

I'm proud to endorse and support Shelley Clark for re-election to SRVUSD School Board and ask you to vote for her on November 5 th .
